FROM: A. Scott Gilliam, MBA, CP-FS
Manager, Food Protection Program

SUBJECT: Beneficial Foods/ Nature's Candy -Peanut Recall

SUGGESTED ACTION: Peanut Recall; Due to *Salmonella typhimurium*; Recommend notification of affected stores via phone, fax or e-mail.

From the information provided by FDA, the recalled products were distributed in Indiana. The recalled products were distributed Nationwide through distributors, retail stores, and mail order. Detail information is not available at this time. In addition, if any recalled product is found, please notify this office at 317-233-7360.

Beneficial Foods/ Nature's Candy Announces Voluntary Nationwide Recall of Peanut Butter Krinkles, Karob Krinkles, Peanut Chip Crunch Bars, and Peanut Caramel Omega-3 Uplift Bars Due to Potential Health Risk

Contact:
Beneficial Foods/ Nature's Candy
830-997-3844

FOR IMMEDIATE RELEASE -- March 1, 2009 -- Beneficial Foods/ Nature's Candy is recalling its health bars containing peanuts because they have the potential to be contaminated with *Salmonella*. The recalled products contain peanut products supplied by Peanut Corporation of America, which has recently announced an expansion of a voluntary recall covering all peanut products manufactured and distributed from their Plainview, TX plant. Peanut Corporation of America is currently the focus of an ongoing investigation concerning the recent *Salmonella* outbreak.

Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

No illnesses associated with any of our recalled products have been reported to date.

The above products were distributed Nationwide through distributors, retail stores, and mail order.

Governor Mitch Daniels
